

LIFE ON MISSION

Bob Hentrich

In January of this year, I traveled with several of our CCC members to Mexico on a short-term mission trip. Only a few of our team members could speak Spanish - and no one very fluently. Communication was sometimes a challenge, and the travel from place to place could be quite rigorous! But the inconveniences didn't dampen anyone's spirits. The people on our team laid a floor for a house, constructed several energy-efficient stoves, prayed for and with people at Bible studies, hugged lots of kids, gave out food and clothing, and made lifelong friends.

Not everyone can pack up all their belongings and become career missionaries, and not everyone can go on short-term mission trips. But ALL of us can support missions in one way or another. It's so important to do this! Because whether you go on a mission trip to another country or support missions from right where you live, you'll find that you will expand the kingdom of Jesus by doing so.

You see, the Great Commission was not a suggestion. Christ's kingdom cannot be built without bold, radical obedience to Matthew 28:19: "Go therefore..." Somebody has to GO. And others have to support. So if you're one of those who packs their bags and leaves home to serve, or one of those who supports through prayer and/or financial support... the reward will be the same. "Well done, good and faithful servant."

Jonathan and Ashley Hentrich established a Christian Church in one of the most unevangelized areas in the USA. Three years ago a group of friends in Albany started meeting once a month in a home. Their dream was to someday start a new church that was open to all people and could help everyone take steps forward in loving Jesus, each other, and the world.

Marianna Hentrich

This group began meeting once a month to dream, plan, and encourage each other and soon outgrew the house and began meeting in a hallway at Sage College of Albany.

In 2013, the group took a big leap of faith to purchase equipment to be used for community and church events, hire a small staff, and to launch weekly Sunday services at a rented facility. The church is steadily growing in numbers and in grace.

Be Involved

- Pray for their core group of believers to be faithful in what God has called them to do.
- Visit Jonathan and Ashley to encourage them and to assist them in reaching Albany for Christ.

Stadia plants churches that intentionally care for children. Valuing children is not optional for anyone who follows Jesus. But especially when we understand that 85% of those who follow Jesus made that decision between the ages of 4-14, how could a church planting ministry *not* value children? That's why Stadia is relentless about our vision. We won't stop until the day when Every Child Has a Church.

The U.S. has millions of people who have no connection to a local church. These are people for whom God deeply cares. Church planting continues to be the single best way to show God's love. Over 80% of people who attend a new church were previously unchurched or spiritually disenfranchised. So Stadia partners with churches, individuals and organizations to expand the Kingdom of God through church planting.

Be Involved

- Pray for God to raise up future church planters and for God to bless and strengthen current church plants

Paul and Callie Tanner serve in with the camping ministry Great Oaks. This is a multi-purpose facility sitting on the bluffs above the Illinois River valley. Since 1972, Great Oaks has been serving the urban youth of Peoria, Illinois. Over the past three decades, we have provided a free week of camp to thousands of low-income youth. Great Oaks' staff seeks to create a safe, rural atmosphere to demonstrate the love of God to children who are surrounded by drugs, gangs, and domestic violence in their everyday lives.

In addition to our work with youth-at-risk, our camp and retreat center serves hundreds of guests each year, from week-long camps to one-day teambuilding events. Churches, schools, and corporate groups are a regular part of our yearly calendar. Whatever the time of year, whatever the event, Great Oaks is ready to serve your needs.

Brent and April Ressler, Directors

Our ministry is committed to serving ministries all around the world by building strong relationships, then doing what we can to connect the body of Christ in order to help those missionaries accomplish their ministry dreams.

This ministry began from a desire to do more than just go on a mission trip. We call this commitment to the missionaries we serve a Timothy Culture, and we believe God is opening many doors for us to serve and encourage missionaries in this very Biblical way.

Small World Connections has partnered with Chillicothe Christian Church in outreach to Zacatecas, Mexico. CCC has sent six teams to minister alongside the missionaries, Lowell and Sheri Glick.

The Resslers and Emily Richards all attend CCC. Brent started SMC Emily joined the team in 2016.

Love in Action Food Pantry

The Love in Action food pantry is an outreach of the Chillicothe Assembly of Church. The pantry has been in existence since 1984. They have assisted over 100,000 families in need. The food pantry, located at 422 W. Truitt Ave., helps those in need each Friday. People travel from parts of Peoria, Marshall and Stark counties for the assistance. (Rev. Ed Dutton has been with the Chillicothe Assembly of God church for 31 years.)

Love in Action Volunteers

“The Lord provides. We’re never without food,” Dutton said. “Our philosophy is, we have it, you, get it. If we have a lot, you get a lot. If you don’t get as much, then maybe we didn’t have as much that week. We don’t hoard it.

The food pantry serves on average about 85-100 people a week and spent about \$15,000 on food alone last year. Finances and food donations are supplied by local churches, businesses and individuals. Chillicothe Christian Church donates both food and finances.
